Professional Subscription

Our all-inclusive subscription plan, only *Professional* provides nine comprehensive databases. In addition to grantmakers, companies, grants, and 990s, *Professional's* new Power Search tool lets you search RFPs, news, jobs, foundation-sponsored publications, and nonprofit literature. *Professional's* interactive maps and charts show a foundation's grants geographically—right down to the ZIP code—and by recipient type or primary subject with three levels of detail.

- Over 108,000 foundations, corporate donors, and grantmaking public charities
- Over 3 million recent grants
- More than half a million trustee, officer, and donor names—fully indexed
- Over 1 million IRS 990s—fully keyword-searchable
- 54 search fields including keyword search

Unique to *Professional*:

- [Power Search](#) nine Foundation Center databases and use guided search to refine your search instantly without leaving your results list.
- **Map of Cross-Border Giving:** See grants from U.S. grantmakers to non-U.S. recipients on interactive maps—A \$595 value.
- [Interactive maps](#) with roll-over giving summaries. See a foundation's grants by county, city, ZIP code, even congressional district; international grants by country.
- [Interactive charts](#) on giving. See a foundation's total grant dollars, number of recipients, and number of grants. Drill down for details by recipient type or primary subject.
- 'Search Companies' database with ability to search the corporate profiles of sponsoring companies — another path to grants and in-kind donations
- 'Search 990s' database with ability to keyword-search across our entire universe of IRS 990s.
- Fact-filled funder portfolios. Entries are continually updated with abstracts from *Philanthropy News Digest*, the grantmaker's latest RFPs, job postings, social media content, publications, and key staff affiliations.
- Access to Update Central. With the Update Generator, you can create a list of new and high-growth grantmakers in any state — or view a list of grantmakers with significant changes. Sign up to receive monthly Update Alert e-mails.
